

Project Abstract Summary

This Project Abstract Summary form must be submitted or the application will be considered incomplete. Ensure the Project Abstract field succinctly describes the project in plain language that the public can understand and use without the full proposal. Use 4,000 characters or less. Do not include personally identifiable, sensitive or proprietary information. Refer to Agency instructions for any additional Project Abstract field requirements. If the application is funded, your project abstract information (as submitted) will be made available to public websites and/or databases including USAspending.gov.

* Applicant Name

Archery Trade Association, Inc.

* Descriptive Title of Applicant's Project

MSCG- Creating Efficient Archery and Bowhunting Pathways

* Project Abstract

Creating Efficient Archery and Bowhunting Pathways will compile the most current efforts in archery and bowhunting from across the country to provide best practices for the archery and bowhunting community to recruit, retain, and reactivate participants to the sports. Results and resources will be shared in a final toolkit and during an in-person Archery and Bowhunting Summit.
